President's Note

President's Message

What a beautiful February we're having so far. My spring tulips are already peeking through the ground! I did regret having to cancel January's meeting, but I'm glad everyone stayed home—warm and safe.

This month, Genia and Mary have a fun program planned to help you get to know your board members and committee chairs. If you're service minded and would like to get involved, tune in to learn what each committee does and find one that sparks your interest or taps into your skill set. Many hands make light work!

It's also time to pay annual membership dues. Please complete your membership application in advance and bring it, along with your payment, to the meeting. And remember—your dues include \$20 worth of chances to win the beautiful Donation Quilt made by Bobbi Lang. That's 40 tickets!

I also encourage you to check the newsletter for this month's tool drive items being collected for the Community Education Committee. Connie Bailey has outlined specific items for each month of the drive through July. Of course, I'm sure she would gladly accept any tools at any time to support this important effort to share the art of quilting with future generations.

I'm looking forward to seeing everyone soon!

Kim Kidder

Annual Business & Regular Meeting Minutes

Annual Business Meeting Minutes November 24th, 2025

The Business meeting was called to order at 6:30 pm by President Connie Bailey. There were 57 members present and 1 visitor.

First on the agenda was election of 2027 officers. Slate of officers the nomination committee submitted were introduced. President – Sue Anderson, Vice Presidents – Brenda Gigliello, Pam Cannefax and Kathy Hart, Secretary – Jennifer Cook and Treasurer – Freddiea Sullivent.

There were no additional officer nominations from the floor. A motion to approve this slate of 2027 officers was made by Patty Dikeman and seconded by Debbie Christie. All were in favor by a show of hands and motion passed.

Next on the business agenda was to vote on the community donation to a charity of the members' choice in the amount specified in the budget of \$300.00. There were four nominations. Alma Outreach Center, Antioch Group in Fort Smith, Kids Backpack Program, part of the Clearing House and Hope Campus. Votes were counted on each charity. The vote amounts were Alma Outreach with 27 votes, Kids Backpack Program with 18 votes, Hope Campus with 8 votes and Antioch Group with 4. There was a second vote for the top three. Alma Outreach had 30 votes, Kids Backpack had 21 and Hope Campus had 6. Alma Outreach was the winner of the community donation.

There was no further business, so business meeting adjourned at 6:42 pm.

Meeting Minutes November 24th, 2025

The November 24th, 2025, regular meeting was called to order by President Connie Bailey at 6:43 pm. Fifty-seven (57) members and 1 guest were present. A motion was made by Krissy Barnes and seconded by Sue Anderson to accept the October minutes. All were in favor, and the minutes were accepted. A motion was made by Gaylon Scharbor and seconded by Faye Miller to accept the financial reports. All were in favor, and the reports were accepted.

President Bailey asked for reports from committee chairs. Dianne O'Donnell reported on the Christmas Party and presented an example of the challenge block. She stated that the party was all set with catering and the left, right, center game. She also stated there were 16 foster kids' gifts and numerous pillowcases from the members to be picked up at the Christmas Party. Last month the Board recommended our organization becoming a 501c3. Mary Butler presented all the information about the formalities of becoming a nonprofit organization. After a short discussion, a motion was made by Sue Anderson and seconded by Patty Dikeman for our organization to become a 501c3 nonprofit organization. All were in favor and the motion passed.

Under new business, President Bailey wanted to express her passion for the younger generation to begin working with fabric and the art of quilting. She reported that our bylaws state in our objectives that "It shall also be the purpose of this organization to expand and to enrich the art of quilting for future generations." She further reported that there are two things in the works to promote this. One is to teach a class or two at the Arkansas Colleges of Health Education Pipeline program at the Health and Wellness Center. Part of their mission is "driving innovation and education for sustainable health and wellness through community engaged partnerships." Our guild could become a "partner" and have classes in the spring 2026 or a summer camp. We could display wellness related quilts in their event center gallery in spring 2027. Another idea is to teach/sponsor a beginning quilting class by our guild members and to introduce ourselves to interested Family and Consumer Science classes {Home Ec}. Mary Butler hopes to begin an after-school quilting club at the Muldrow High School Consumer Science classes. To fulfil our mission, we could volunteer and donate our excess fabric, scissors, cutters, rulers etc. There is sufficient room in the storage rental facility to store items. There will be more guidance on this next year. Kim Kidder, 2026 President, asked President Bailey if she would chair an unofficial committee for the next year to plan and work on this for our guild and maybe call it a Community Education Outreach Program? President Bailey has agreed to do so. There was no further old or new business, so door prizes and 50/50 were awarded, then show and tell was presented.

Meeting adjourned at 7:30 and a strip poker game was enjoyed! Happy Thanksgiving and Merry Christmas!!

Bobbie Lang pieced and quilted this gorgeous quilt. Can't you just hear the waves on the sand and smell the salt air? This gorgeous quilt will be gifted to the lucky holder of the winning ticket at our December 2026 holiday party. Is that you? Actually, I hope its me! It only takes one winning ticket.

ALL members automatically get \$20 worth of tickets upon payment of membership dues and can easily purchase more (more tickets = more chances to win!) We encourage friends and family to participate as well.

Tickets available at regular meetings (cash, check or credit cards accepted).

Thinking About the Next Generation of Quilters

An important objective in our Guild by-laws reads: *It shall also be the purpose of this organization to expand and to enrich the art of quilting for future generations.*

In 2026, under the guidance of Connie Bailey, our guild will undertake programs to reach out to a new generation of sewists with classes and demos to spark interest and creativity.

Connie will share more information at upcoming meetings. You can help grow this program by supporting our monthly tool drive.

Check your sewing space. Most of us have duplicates of the most common tools. You can de-clutter your space and create a meaningful, life long skill for the next generation of quilters.

BPQG Quilting Tools Monthly Drive

February	Fabric, rotary cutters (45 mm ideal) and replacement blades, good quality scissors and mats; totes to keep supplies in
March	Thread, seam rippers and irons
